Puhi subdivision intersection closed for concrete pour

PUHI – The public is advised that the eastern (residential) side of the Puhi Road/Leleiona Street intersection is closed for a concrete pour on Puhi Road.

The weeklong closure started today and is expected to be completed by the end of this week, weather permitting.

Motorists wanting to access the Puhi subdivision will need to use the Nani Street/Kaumuali'i Highway intersection, and allow extra time to get to their destinations.
